## birthday parties

### Option 1 – Pizza-baking party

£15 per child

As people arrive, there are colouring activities for the children to enjoy. Then, we have fun stretching pizza dough, before decorating the pizzas with lots of delicious toppings! Once the pizzas are in the oven, it's story time. After that, the children get to eat their yummy pizza creations! The party finishes with our highly popular 'decorate your own cupcake' activity.

### Option 2 – Cookie and baking craft fun

£15 per child

As people arrive, there are colouring activities for the children to enjoy. Then, it's time to have fun creating cookies! Choose from: funny-face biscuits, shaped cookies, gingerbread people or Smartie cookies. While the cookies are baking, the children decorate a bag to take home their treats. Then, everyone enjoys story time, followed by a delicious party tea. The party finishes with our highly popular 'decorate your own cupcake' activity.

Birthday cake and party bags available upon request.  
Please ask staff for more details.
